We will be offering for 2010 the 4Cycle International classes (aka Clone) class’s available classes will include Novice / Junior / Senior and Masters.

You will have to be a CES/RVKC member if you want to earn year-end points and awards in all classes .Although you may participate in the series races with out being a member of CES/RVKC you will only qualify for year end awards if you are a member on that race weekend.

ProMaxx will be joining CES again for 2010 and we are pleased to announce that competitors in the 2010 CES Road Racing Series will be eligible to win a complete ProMaxx Workspace System. The complete system includes one large storage cabinet, one cabinet dolly, three wall cabinets, one workbench, one mobile storage cabinet and one mobile tool cabinet. The Workspace System may be viewed at www.promaxxsystem.com

The 2010 season for the Championship Enduro Series is shaping up to be one of the best ever. This years race season will include Ten Races to be held at Five of the premier road racing facilities in the Midwest. 2010 Races will again be produced by **G.E.M. Promotions** and Hosted by **River Valley Kart Club (RVKC)** and sanctioned by **TAG Racing International / TAG USA**.

For 2010 CES will again be joined by the **United States Super Karts (USSK)** this year the group will join us at our new venue the Blue Grass Motorsports Park event .CES is excited to have this premier group of drivers and teams commit to participating with us at this facility. USSK always provides a high energy fast pace race with there beautifully prepared race machines. The USSK will provide a race event each day that will bring the entire pit area to the trackside to watch.

The **Great Lakes Pro Series** will be joining CES again for 2010. The Great Lakes group will race at our Autobahn Country club event. We are proud to welcome Terry and Shirley Riggins and their racers back for another season.

With the number of entries averaging over 250 at each event in 2009, it appears the 2010 season will draw even more competitors. The growing number of racers will now have two races each day that most of our racers can compete in.

"National Kart News" magazine, the Official Publication of TAG Racing International/TAG USA will be providing series news along with TAG USA news in their monthly publication. All 2010 members of "The Championship Enduro Series" will receive a subscription to **National Kart News** magazine included with their membership.

Show your support for our association by supporting and patronizing our sponsors!

We at the CES thank you for your continued patronage and promise to do our best to provide you with the venues and organization necessary for the quality kart racing you have come to expect.
