FOR IMMEDIATE RELEASE

Win a ProMaxx Workspace System by competing in the 2010 CES Road Racing Series

Turn your garage into a true race shop with this complete system

ProMaxx is pleased to announce that competitors in the 2010 CES Road Racing Series will be eligible to win a complete ProMaxx Workspace System (pictured below). The complete system includes one large storage cabinet, one cabinet dolly, three wall cabinets, one workbench, one mobile storage cabinet and one mobile tool cabinet.

Finally you can have the workspace system you've always wanted. Great for the home or professional workshop. The system is modular so you can move it or expand it when you need to... the possibilities are endless.

A. Storage Cabinet
CB721836

D. Workbench
603ST2584

B. Cabinet Dolly
CBD1836

E. Mobile Storage Cabinet
PMB782C

C. Wall Cabinet
WCS123131

F. Mobile Tool Cabinet
PMB783D

ProMAXX™ quality features:

					
Attractive and durable two-toned silver/vein and black textured powder coat finish conceals grease and dirt.	Shelves adjustable on 1" centers	Recessed, welded steel handles and single lock for security	Heavy-duty swivel casters with brake	Levelers provided on workbench for uneven floors	

For more information visit www.promaxxsystem.com

Only one system will be awarded for the 2010 season. The winner will be announced on Sunday, September 19, 2010 at the Autobahn race. Every class is eligible to earn a chance to win.

The winner will be chosen at random from raffle tickets earned based on the following criteria:

- One raffle ticket for each class entered. The more classes entered the more chances you have to win.
- One additional raffle ticket will be awarded for every race weekend where you have pre-entered at least one class. Only one extra raffle ticket per driver for the entire weekend for pre entering.
- All RVKC/CES members will automatically receive one raffle ticket when you pay your 2010 membership fee.
